Rockford, Illinois April 18, 2006 - Road Ranger, L.L.C., which owns 48 Road Ranger convenience stores and travel plazas throughout Illinois, Wisconsin, Indiana, Iowa and Missouri has announced that they will have a Summer Car Give-Away promotion this summer featuring a Belvidere, Illinois-built 2007 Dodge Caliber.

The Summer Car Give-Away starts Memorial Day – May 29, 2006 and runs through the summer until Labor Day – September 4, 2006. The Grand Prize will be awarded at Belvidere Motors, located at 1201 North State Street in Belvidere, IL on Labor Day.

In addition to the Dodge Caliber the promotion features select special prizes from many of the participating vendors including Apple I-Pods, cash gift cards, food and drinks. When a customer purchases any of designated brand name candy bars, packaged soft drinks and snack foods they will receive a Scratch-and-Win card. If the scratched-off area on card reads, “KEY”, the customer will be one of fifty contestants who have the chance to try their key in the ignition of the car. If the car starts, they win!
